AND TO ALL THE BIG BEARS WHO HELPED WITH OUR GAMES-THANKS SO MUCH-TIMMY, RAINY, AMBER, DAWSON, AND JACK-YOU WERE GREAT!!!!

Please remember to bring back the paper for the field trip with the count of people who will be traveling with us. This helps them figure out how to divide our group for our schedule of rides and activities.

Our FIELD TRIP to Old McDonald's farm will be on Monday, June 5th. We will travel there together and leave school at 9 am sharp. If you live near the farm, please let me know and meet us there by 9:20am. We need to start early to fit all our activities in and stay ahead of the larger school groups coming behind us.

This week I will give everyone the menu of food available at the farm for lunch. Please fill out what you wish to order and bring it with you to the farm. While we are all checking in, you may hand it to the girls at the café. They will have our lunches cooked and ready for us when we are scheduled to eat. You may bring your own lunches with you also.

REGISTRATION FORMS for the Fall session are available now at the front table for any returning students.

SHOW AND TELL-the last Show and Tell for this year will be held on Thursday May 25th and Friday May 26th. The children have loved bringing in their treasures and telling the

class all about them. They are all speaking more and more to the classes as the year has continued.

THURSDAY, June 8th and FRIDAY, June 9th classes will be held at the Six Town Meeting Hall for the children to practice for their end of year programs. Please bring your child there and pick them up at dismissal. The Six Town Meeting Hall is the large gray building two houses East of the Adams Post Office, across from the Methodist Church on Church Street in Adams. Please let me know if you need help finding it. I rent this building for these programs because it has a small stage and lots of room for the audience to sit and enjoy the programs. There will be room for Grammas and Grampas and the whole family to come along!!

This week we will be reviewing letters, shapes, colors, numbers, and many facts that we have learned this year. We will also be practicing for our skits, songs, dances, nursery rhymes, etc.

MOVING UP DAY will be held on June 13th at 10am.

GRADUATION will be held on June 12th at 6:30pm.i

THANK you all so much for all your support.
