

TEDDY BEAR CORNER NURSERY/PRESCHOOL

P.O. BOX 173, ADAMS, NEW YORK 13605 771-7956

www.teddybearcorner.net JANUARY 7-9, 2025

I hope everyone has had a healthy and wonderful Holiday Season! Now we are back to work!

The Bears will be starting a new unit of NUMBERS. Each week we will learn and practice tracing a number. Each number has a story to go with it. Our first number is "1" and our story is The Little Red Hen.

We are also starting our alphabet unit again with the letters "A" and "B".

Our Science Unit will begin with our BODY. Our first part is our BRAINS. We will learn why we need to wear helmets to protect our brains. Everyone will make a BRAIN HAT to wear home.

Our SPECIAL EVENTS begin each Tuesday with a very special activity that each child will participate with. The first Special Event is making PANCAKES! Each child will stir our bowl of batter. They will put on oven mitts and flip the pancakes. Our snack will be PANCAKES with butter and maple syrup on them!

Please remember if South Jeff schools are closed-so is

TBC. If South Jeff is delayed, TBC is closed.

TUESDAY the 7th the BEARS will begin by MATCHING Hats. We will trace an "A" and a "1". We will talk about Good Food and make a To Be Healthy booklet. Everyone will cut egg pictures and glue one on each loaf of bread in their picture. We will color one hen, one cat, one duck and one dog to go with our story about the Little Red Hen.

THURSDAY the 9th the BEARS will begin by finding the weird items in the winter land picture. We will trace the number "1" and the letter "B". Our Science topic is Our Brain and we will see what happens to a brain when it is not wearing a helmet. We will make a brain hat to bring home. Everyone will receive a number one award. We will make a chilly treat and decorate hot cocoa cups.

Upcoming SPECIAL EVENTS FOR JANUARY:

January 14th is a SLUMBER PARTY. The students may wear pajamas and bring in a sleeping bag or a blanket and we will have a slumber party. Everyone will wrap up in their blankets or

sleeping bags and we will listen to a story, play musical sleeping spots, and dance and hide under our covers. We will learn about why we need to go to bed each night, why we need to sleep in our own beds, and about some of the people who have to work all night and sleep in the daytime.

JANUARY 21ST our SPECIAL EVENT will be our annual ANIMAL PARADE and the students may bring their favorite stuffed animal to parade with. We will learn about different animals, what they like to eat, how they survive when the weather is cold, and how they protect themselves.

JANUARY 28th our SPECIAL EVENT will be making STONE SOUP. Each student may bring in a carrot, or a celery stick, or a potato, or an onion, etc. and crackers to eat with our soup. The children will chop the veggies and mix them in my big pot with our special STONE as we make soup.

THANK YOU for being so generous with all your supplies last month. We are set with snacks and juice boxes. THANKS AGAIN!
