APRIL 1-3, 2025

Everyone had a wonderful TRAIN RIDE last week. The children arranged their chairs in a row and collected their luggage bags with their passport and tickets in it. They had to have their ticket to ride on the train. Each time we boarded the train their tickets were stamped for the next ride. We had to start the train by hollering "ALL ABOARD!" Blake and Codi had to move the cows off the track so we could continue on our ride. Isabella and Azlynn had to move the monkeys from the track and Kellan had to putt the big elephant out of the way too! Then we had our snack on the tracks-complete with cupcakes from Codi.

They all took home their luggage bags with a TRAIN WHISTLE inside, too. Sorry parents!

Each day one student's name is on the Bear Jobs list for KINDNESS. They have to find someone who is being KIND and give them a kindness card. If your child has a card with a kindness message on it, they were caught being very kind.

April 1st the Bears are having a BEACH PARTY. They may wear summer clothes and bring a towel. We will take your pretend bus and ride to the beach, spread out our towels, put on sunscreen, and lay in the sun. We will go swimming and maybe ride a boat too. Our snack will be hot dogs, chips, pickles, carrot sticks and a special desert. They are a great group for loving snack time! They will learn about sunscreen, water safety and summer safety at the beach.

TUESDAY the Bears will begin by finding the animals on their paper. Our letters are "Q" and "R". Or number will be "8" again. WE will make an April Box, an egg to a tadpole to a frog, and have our Beach Party. We will also fit in Show and Tell for March.

THURSDAY the Bears will begin by finding the flowers on their paper. Their letter is "S" and we will continue with the number 8. The story is the shoemaker and the 8 elves.

APRIL 8 our theme will be insects. Our SPECIAL EVENT will be making Ice Cream Sundaes on Tuesday. The children will choose chocolate, vanilla or strawberry ice cream chocolate or strawberry syrup on top, whipped cream, cherries and sprinkles too.

April 10th we will have a BUG BALL. The Bears will make a paper bug to bring to the ball.

Thanks for all the support
