APRIL 8-10, 2025

Everyone had a fun filled visit to the beach last week. We loaded everyone onto our Bear bus and traveled to the beach. After everyone found a special spot to place their towels, we applied sunscreen on each child. Then we laid in the sun on our backs, our tummys and exercised our arms and legs. We were so hot we went swimming. They are all great swimmers and loved splashing each other and the teachers too. They swam all around the tables. Then we went back to our towels to dry. We had to find picnic tables for our lunch of hot dogs, chips, pickles and juice. For desert we had cupcakes for Beau's birthday. After we ate we rested on our towels and had a story and some songs. We went fishing next by all fitting into our boat and rowing out to the fishing hole. Everyone caught a fish to take home. Codi caught a perch-her favorite one!

Ted E. Bear has been visiting our Bear homes. He went to Azlynn's home and had so much fun. She gave him a bath! He loved her favorite bear at her house. He pushed her out of bed.

She took him for a ride on her brother's truck.

Ted E. Bear also visited Blake's home. There were lots of pictures from his visit. They shared lunch together. Ted does love to eat! Ted also got to go for rides on Blake's scooter. That's the first time Ted had been on a scooter and her really like it!

This week our Special Event will be an Ice Cream Sundae Party! We will have different flavor ice creams and topping to choose from. Sprinkles, cream, and a cherry on top will finish our treats!

TUESDAY the Bears will begin by finding the birds in a rainy picture. Their letter is "T" and their number is "9". The story for this number is Nine Little Kittens. We will be learning about eggs, tadpoles, froglets and frogs. We will also paint a paper plate green and add a turtle to the finished picture. WE will also learn about the sick-well bunny.

THURSDAY the Bears will begin with hopping frogs. Their letter is "U" and our number will continue with "9". We will also have a BUG BALL. Each child

will make an insect from a paper plate and we will talk about how bugs grow and what they eat. We will have a Bug Ball Dance!

SHOW AND TELL

AZLYNN shared her teddy bear that sleeps with her. He is very soft and fuzzy and looks like Ted E. Bear!

KELLAN shared a camel with one hump that his Dad gave him. The camel came from Dubai and has a small heart on his back.

BEAU shared his birthday balloon for turning 4! His mom also shared Cedar their new puppy. He was great! Well behaved and loved each child!

BLAKE shared a train that his Gramma gave him. It is red and yellow and he got it last week.

CODI shared a kitty Mer-cat. Her mom gave it to her from Florida when she visited there. She is a good cat!

ISABELLA shared her snap bracelet. When I snap it on my arm it stays like a bracelet. Everyone loved it!

ELLIS shared his pet rock. He read us the story about pets first and decided a pet rock was best. He painted it blue and it had a smile and one eye.

April 15-17 our theme will be EASTER. We will make crafts, color eggs, have an egg hunt and a special Easter snack.

April 22 there is no school this week due to Spring Break at the local schools.

THANK YOU!
