We had a wonderful first week at TBC. We talked about sharing and using the bathroom and sanitizer. They loved playing in the water with their paper bears and mixing chocolate pudding!

This week our theme is MOTHER GOOSE. We will work on the classic stories.

TUESDAY the Bears will begin by drawing lines to match the pictures. Our letter is "C" to trace and learn what words start with that letter. Everyone will tear paper and glue to a humpty dumpty picture. Our color to paint and color is YELLOW. We will make BUTTER by shaking containers full of heavy cream. The butter will go on our bread for snacks. Everyone will make a Humpty Dumpty with his wall and a Little Miss Muffet with her spider.

THURSDAY the Bears will begin by matching the items. Our letter is "D" to trace and sound the

words. Our shape is CIRCLE to trace. We will tear strips and glue them to a butterfly picture. Our Mother Goose stories are Little Bo Peep and her sheep and Old Mother Hubbard and her hungry dog. Our SCIENCE topic is Find the Acorns.

Our Monarch butterflies are all in their cocoons now. It takes about two weeks before they emerge as butterflies. Hopefully we can let the children hold one on their hand when we release them. They end up flying to MEXICO!!!!
