

TEDDY BEAR CORNER NURSERY/PRESCHOOL

P.O. BOX 173, ADAMS, NY 13605

One of our cocoons opened last week and we were able to go outside to let her fly away-heading to Mexico. She flew away so quickly we were unable to let each child hold her on their hand! We have four more to go and are hoping everyone gets a chance to let her set on their hand for a picture.

SHOW AND TELL is this Thursday. The boys may bring in something special to show and tell their classmates. Please place the item in their locker for safety. They will bring the item in and then replace it in their locker.

This week our theme will be FALL season. Everyone will make a fall tree with colored leaves on it.

TUESDAY the Bears will begin by MATCHING items. Their color to paint and color is GREEN. Everyone will crack eggs and stir them to make green eggs and ham for our snack. Our letter is

"G". Everyone will tear and glue pieces to a STARFISH picture. We will learn about Johnny Appleseed!

THURSDAY the Bears will begin by matching items together. Our letter is "H" and our shape is RECTANGLE. We will tear and glue to a dog paper. Everyone will make a story about the Itsey Bitsey Spider story. WE will have SHOW AND TELL.

OCTOBER calendars were in lockers last week. There are some extras on the side table if needed.

OCTOBER 6 our theme will be COMMUNITY WORKERS! If any parent, grandparent, babysitter, etc. would like to come into visit the class and tell the children about your job we would love it. Just let me know when it is a good time for you to drop by on either day. The attention span is about 5-10 minutes. Thank you in advance!

We will also be mailing post cards to ourselves next week. Please let me know if any addresses have changes.

The week of October 13th Adams Fire Department will visit. They show the class all the equipment that a fireman must wear, answer lots of questions, and let each child sit inside their big truck to see where the firemen ride. If you know any fireman please tell them thank you for this! The children love it and want to know what is in every door of the big truck.

OCTOBER 29th is our annual HALLOWEEN PARADE AND PARTY. Our parade begins at ten am sharp and we will walk down the side walk, cross the road and walk back. We always try to line the Bears in front of the building for pictures in their costumes.

Thanks to all for all your support.
