

TEDDY BEAR CORNER NURSERY/PRESCHOOL

P.O. BOX 173, ADAMS, NY 13605

315-771-7956, OCTOBER 6-8, 2026

The construction site across the road has been very interesting to the boys in our class. One day the boys were walking outside and the men waved at them and asked them if they were being good today. On Thursday we made popcorn early and let each boy carry bags of popcorn and give them to the workers! We are learning about KINDNESS!

Adams Fire Department is visiting our class on Tuesday this week. They will show their uniforms, gear, and their large fire truck.

This week our theme is Community Workers. Any adult who would like to visit our class could tell about their job. I will bring in a stethoscope so everyone can listen to their heart beat, scales to weigh everyone and measuring tape to see how tall everyone is.

TUESDAY the Bears will begin by matching people with their jobs. Our color is PURPLE. Our letter is "I" and our shape is rectangle. They used scissors and glue sticks last week and did a very good job! This week they will cut and glue to a cat picture. We will all make an October door knob hanger. We will have a house for a repairman to make and matching workers to their tools.

THURSDAY the Bears will begin by matching workers to their jobs. Our shape is SQUARE and our letter is "J". The cutting paper will be a sheep. Everyone will make an apple face picture and an autumn paper. We will also try to add Columbus to our day.

Everyone is learning The Five little Pumpkins finger play, five little monkeys sitting in the tree, and the little mouse who lived in a quiet house.

THANK YOU to Jackson L.'s grampa who has been repairing some of our trucks. One truck was missing wheels and he was able to fix it. This week there was a tractor stuck in a school house toy and he could get it out. Jackson L. told me his grampa can fix anything that is broken at Teddy Bear Corner. THANK YOU!

The Bears will each take a post card and draw a picture on it. We will learn about stamps, addresses and return addresses. They will be mailed to their homes.

We are still waiting for our last two monarch butterflies to emerge. The boys check them every day!

Our annual Halloween parade and party will be held on Thursday the 29th. Our parade will begin at 10 am and weather permitting, the boys will walk down the street and trick or treat.
