

TEDDY BEAR CORNER NURSERY/PRESCHOOL

P.O. BOX 173, ADAMS, NEW YORK 13605 771-7956

www.teddybearcorner.net OCTOBER 22-24, 2024

It was a busy time last week! Pictures were taken on Tuesday. The photos are usually back in a couple weeks. The Adams Fire Department made their annual visit to the Bears!! Bob Simpson and his helper visited our class room on Thursday. They showed how a fireman looks before he puts on all his gear-which is about forty pounds of weight-and what a fireman looks like after all his gear is on. They do not want children afraid of them! In case of a fire the little ones need to know that the firemen are their friends and are going to help them! They also showed them their camera that can find body heat. The children would walk by the fireman and he could show them on his camera the footprints made on our carpet from the heat in their feet.

The firemen also took the children outside and showed them all the hoses and the tools that they might need to help people. Each child had a chance to sit in the back of the big fire truck too. Codi and Azlynn volunteered to be lifted up and sit inside the truck! No one else wanted to do that?!? Please

tell firemen THANK YOU FOR WHAT THEY DO!

Tuesday the 29th will be our annual HALLOWEEN parade and party. I have big buckets for each child to carry and take home. Parents and adults may put treats in their buckets as they parade by them. We hope to leave TBC at ten am and parade to the left (as you come out the door) and walk down a bit, cross the road, and walk back on the other side of the road. Then the children will line up in front of TBC for photos. Treats may be handed out anywhere along our route. The children will place their buckets in their locker and get ready for snacks. Parents and adults are invited inside. Any questions, please let me know.

TUESDAY the Bears will begin by following a path for the ghost to get to the party. Our letter is "N" and our color is ORANGE. We will cut strips and glue them to an animal picture. We will make a jack-o-lantern, a black witch and a scarecrow.

THURSDAY the Bears will begin by drawing lines from the monsters to their candy.

Our letter is "O" and our shape is TRIANGLES. We will make a triangle pumpkin, a black cat and a haunted house. This is also SHOW AND TELL DAY!

We have been learning:

The Pledge of Allegiance which some of the class is saying with the teachers now

The Days of the Week song with motions that everyone is doing

This is the Way We Wash our Hands-with sanitizer and standing in a line and then parading in a line to their tables for snacks.

They also have played with our parachute and our large school bus.

They loved using test tubes last week and shaking red and blue to make purple! Then dumping them into the sink!

Vanessa Stone has joined our team at TBC. Her son Ellis attends. They are from Pierpont Manor and she is doing a great job.

THANK YOU for all the snack supplies! Our cupboards are full!

Thanks again for all the support. Cindy Reardon
