www.teddybearcorner.net NOVEMBER 5-7, 2024

Last week the Bears learned to sew on different picture cards. They all did a great job at this eye and finger coordination project.

For our Science project last week everyone learned about sinking and floating. I gave them buckets of water to place toys in-some would sink and some would float! An Ice cube in the water floated! They each had a chance to hold a tiny ice cube in their hand and feel how cold it was and how fast it would melt! They love to do experiments!

This week is our annual HALLOWEEN PARADE and PARTY! We are leaving our building at ten am and as we come out the door we will parade to the left, go down the street to the corner. We will cross the road and return on the other side back to our classroom. Everyone will line up at the building wall for parents to take pictures. Please send me any you take for our collection! We will then enter TBC and place our buckets in the lockers. Everyone will wash their hands and have their snacks! The weather looks beautiful for Tuesday's parade.

Tuesday the bears will begin by helping the owl get to his tree home. We will work on the letter "P". Everyone will make a big orange pumpkin and a haunted house full of scary creatures.

THERE IS NO SCHOOL ON THURSDAY, OCTOBER 31ST!

NOVEMBER classes start next week! WOW! October flew fast this year!

November 5th our theme will be TEETH and we will talk about brushing and flossing our teeth every day.

November 5th will be our annual THANKSGIVING FEAST! I will cook a turkey breast to bring in for our feast. The children will pick from our bowl of papers. Some will help with the mashed potatoes. Some will help with the corn. Some will help with the cranberry sauce. Some will help with the rolls. Desert will be ice cream cups. We will learn about the first THANKSGIVING as we share our feast.

BOOK FLYERS are in lockers this week. Any orders are due by the 14th.

Pictures are not back yet. As soon as she calls me I

will put them in your lockers.

NOVEMBER Calendars are in each locker

SHOW AND TELL for the month of OCTOBER was held last week!

KELLAN shared his beautiful BEAR that his father bought him in England. It had to come way across the Ocean in an Airplane. The bear does not have a name yet.

ELLIS shared his blue Power Ranger that his Dad used to have. He named it Zach after his Dad. His arms go up and down too.

ISABELLA shared her "boogie boogie" that her mom and grandma got her when they were shopping. He is green and he is very MEAN!

CODI shared her big heavy TIGER. She got it from "an old lady that had him for her kids, but now her kids are old so she gave him to me". He roars too.

AZLYNN shared her pink jacket with a pink hood too and REEBOK on it. She also has new sneakers that were very colorful!

THANK YOU FOR ALL THE SUPPORT!
