Louie the Leprechaun has been having fun at TBC and making big messes every day! The Bears are ready to make their traps and catch Louie and get his pot of gold!

Book orders are due by this Friday. The second book flyer went home last week.

If anyone needs my tax ID number to use on their taxes with the amount they have paid for tuition, please let me know. I can also print off a payment received note if needed.

This week our SPECIAL EVENT will be on Thursday the 12<sup>th</sup>. Parents are invited to arrive at 11 am to help their child construct a trap to catch Louie the Leprechaun! The children brought home a Science booklet that tells how to build the trap. Usually it is just decorating a small box with glitter, foil, green paper and yarn and

hiding it someplace in our room. They will leave their traps here in their special places and we will see who catches Louie. Next Tuesday when they arrive, we hope to find Louie trapped and ready to surrender his Pot of Gold to us. Then they will all take their traps home to catch their own leprechauns!

TUESDAY the Bears will begin by matching the toe tricking Leprechauns. Our letter is "N" and our number is "8". Our number story is The Elves and the Shoemaker. We will make a Leprechaun craft. Everyone will learn about SENSES and RAINBOWS.

THURSDAY the Bears will begin by finding the Longer and the shorter items. Our letter is "O" and our number "8" continues. We will work on our POCKETS and build our traps for Louie.

March 17<sup>th</sup> our SPECIAL EVENT will be a BEACH PARTY. Everyone may wear their summer clothes and bring a towel with them. We will pretend we are at the beach, swimming and maybe boating. Everyone will have a picnic lunch for our snack.

March 24<sup>th</sup> our SPECIAL EVENT will be a PICNIC IN THE SNOW.

March 26<sup>th</sup> is SHOW AND TELL for March. And POP CORN for our treat.

MARCH 31<sup>st</sup> our SPECIAL EVENT will be coloring EASTER EGGS!

Thank you all for all your support with our crafts and snacks.
